

## Privacy and Civil Liberties

Always operating within legal boundaries, **EYE-ON-KY** holds personal liberties in highest esteem.

The **If You See Something, Say Something™** campaign respects civil rights or civil liberties by emphasizing behavior, rather than appearance, in identifying suspicious activity. Factors such as race, ethnicity, national origin, or religious affiliation alone are not suspicious. For that reason, the public should report only suspicious behavior and situations (e.g., an unattended backpack in a public place or someone trying to break into a restricted area) rather than beliefs, thoughts, ideas, expressions, associations, or speech unrelated to terrorism or other criminal activity.

Only reports that document behavior reasonably indicative of criminal activity related to terrorism will be shared with federal partners.

# EYE-ON-KY

Tip Line

Report suspicious activity. Call  
**1-866-EYE-ON-KY**

The safety and security of the Commonwealth cannot be achieved apart from reliance upon Almighty God as set forth in the public speeches and proclamations of American Presidents, including Abraham Lincoln's historic March 30, 1863, Proclamation urging Americans to pray and fast during one of the most dangerous hours in American history, and the text of President John F. Kennedy's Nov. 22, 1963 national security speech which concluded: "For as was written long ago, 'Except the Lord keep the city, the watchman waketh but in vain.'" – Kentucky Revised Statute 39A.285(3).

## What Is It?

**EYE-ON-KY** is an anonymous telephone tip line enabling anyone to report suspicious activity as well as items that logically might pose a threat to individuals, community or the Commonwealth of Kentucky.

Calling **1-866-EYE-ON-KY** connects you to the Kentucky Intelligence Fusion Center. Your information will be reviewed and then forwarded quickly to the appropriate response agency, or because of details provided, to an intelligence specialist for further analysis.

## How It Affects You

### Enhancing the security and safety of our state

is the primary mission of the Kentucky Office of Homeland Security. The tip line is your way of participating in an important cause designed to prevent or reduce prospects of terrorism, ordinary crimes and other illegal acts.

If you become aware of something that could realistically jeopardize any part of your community, please report it to **1-866-EYE-ON-KY** without delay. In doing so, injury, loss of lives, and unlawful destruction can be avoided.

Be as accurate and specific as possible. Study the guidelines elsewhere in this pamphlet. And thank you in advance for being a good citizen who looks out for the best interest of family, friends and neighbors!

## Potential Suspicious Activity

**Suspicious activity** is any observed behavior that could indicate terrorism or other criminal activity.

**Unusual Items or Situations** – Vehicle in an odd location, unattended luggage/package, open door/window normally closed and locked or other out of the ordinary situations.

**Eliciting Information** – Questioning individuals at a level beyond mere curiosity about particular facets of a facility's or building's purpose, operations, security procedures, scrutinizing security personnel, shift changes, or facility procedures, etc.

**Observation/Surveillance** – Unusual attention to facilities and other infrastructure beyond mere casual or professional interest. Extended loitering without explanation, particularly in concealed locations with optimal visibility of potential targets. Unusual, repeated, and/or prolonged observation of infrastructure (for example, with binoculars or video cameras), taking notes and/or measurements, counting paces or sketching floor plans. Some of these activities, taken individually, could be innocent and must be examined by law enforcement professionals in a larger context to determine where there is a basis to investigate. The activities outlined above are by no means all-inclusive but have been compiled from a review of terrorist events over several years.

## Helpful Information

**Accurate information** is essential when you report suspicious activity. To assist the **EYE-ON-KY** program, please provide as much of the following as possible:

**Incident type:** Exactly what have you observed that concerns you and why?

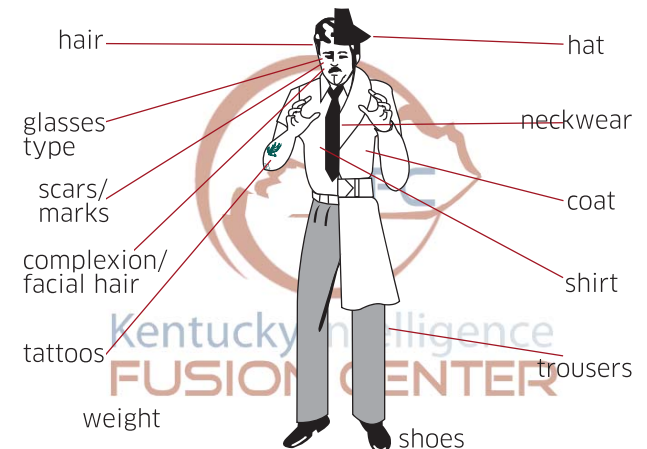

**Location and time of your observance:** Happening now or is this a delayed report? Exactly where is this occurring or when did it occur?

**Description of all involved:** Physical description including approximate age, sex, height, weight, clothing, identifying marks (tattoos, scars, etc.) and accent.

**Activity description:** Did suspect run (give direction), leave by vehicle (type) or remains on scene?

**Description of peculiar or hazardous object:** What is it (size, shape, color)? Does it make a noise, emit an odor, have chemical labels or other printed matter on it? Is it familiar but found in a peculiar location?
