

NIMS Implementation Objectives for State and Local Governments

October 1, 2012 through September 30, 2016

Please indicate (yes or no) in the appropriate box if the specific NIMS Implementation Objective has been fulfilled.

FFY 2005 - 2016 NIMS Implementation Objectives	State/ Gov. Agency	Local/ Gov./ Agency
<u>Adoption</u>	-	-
1. Has the jurisdiction formally adopted, and/or maintained the adoption for fiscal year 2015, the National Incident Management System as its all-hazards incident management system?		
2. Establish and maintain a planning process to communicate, monitor, and implement all NIMS implementation objectives across State/Local Departments/Agencies. This process must provide a means for measuring progress and facilitate reporting.		
3. Designate and maintain a single point of contact within government to serve as principle coordinator for NIMS implementation jurisdiction-wide (to include a principle coordinator for NIMS implementation within each Department/Agency.)		
4. Ensure that all Federal Preparedness Awards [to include, but not limited to, DHS Homeland Security Grant Program and Urban Area Security Initiative Funds] to State/Territorial/Local Departments/Agencies support all required NIMS Implementation Objectives		
5. Audit agencies and review organizations should routinely include NIMS Implementation requirements in all audits associated with Federal Preparedness Awards.		

<u>Preparedness: Planning</u>	State/ Gov. Agency	Local/ Gov./ Agency
6. Revise and update emergency operations plans (EOPs), standard operating procedures (SOPs), and standard operating guidelines (SOGs) to incorporate NIMS and National Response Framework (NRF) components, principles, and policies, to include planning, training, response, exercises, equipment, evaluation, and corrective actions.		
7. Promote and/or develop intrastate and interagency mutual aid agreements and assistance agreements (to include agreements with the private sector and NGOs).		

<u>Preparedness: Training</u>	State/ Gov. Agency	Local/ Gov./ Agency
8. Use existing resources such as programs, personnel and training facilities to coordinate and deliver NIMS training requirements.		

9. Complete IS-700 NIMS: An Introduction or equivalent by appropriate personnel (as identified in the NIMS Training Program, September 2011).		
10. Complete IS-800 National Response Framework (NRF): An Introduction or equivalent by appropriate personnel (as identified in the NIMS Training Program, September 2011).		
11. Complete IS-100 Introduction to ICS or equivalent by appropriate personnel (as identified in the NIMS Training Program, September 2011).		
12. Complete IS-200 ICS for Single Resources and Initial Action Incidents training or equivalent by appropriate personnel (as identified in the NIMS Training Program, September 2011)		
13. Complete ICS-300 Intermediate ICS training or equivalent by appropriate personnel (as identified in the NIMS Training Program, September 2011).		
14. Complete ICS-400 Advance Training (as identified in the NIMS Training Program, September 2011).		

<u>Preparedness: Exercise</u>	State/ Gov. Agency	Local/ Gov./ Agency
15. Have NIMS concepts and principles been incorporated into all appropriate State/local training and exercises.		
16. Plan for and/or participate in an all-hazards exercise program [for example, Homeland Security Exercise and Evaluation Program] that involves emergency management/response personnel from multiple disciplines and/or multiple jurisdictions.		
17. Incorporate corrective actions into preparedness and response plans and procedures.		

<u>Communications and Information Management</u>	State/ Gov. Agency	Local/ Gov./ Agency
18. Apply common and consistent terminology as used in NIMS, including the establishment of plain language (clear text) communications standards.		
19. Utilize systems, tools, and processes to present consistent and accurate information (e.g., common operating picture) during an incident/planned event.		

<u>Resource Management</u>	State/ Gov. Agency	Local/ Gov./ Agency
20. Inventory response assets to conform to NIMS National Resource Typing Definitions, as defined by FEMA Incident Management Systems Division.		
21. Ensure that equipment, communications and data systems acquired through State/Territorial and Local acquisition programs are interoperable.		
22. Utilize response asset inventory for intrastate and interstate mutual aid requests [such as Emergency Management Assistance Compact (EMAC)], training, exercises, and incidents/planned events.		
23. Initiate development of a jurisdiction-wide system to credential emergency management/response personnel to ensure proper authorization and access to an incident including those involving mutual aid agreements and/or assistance agreements.
