Gap Identification – Threat, Vulnerability, & Consequences

DHS/FEMA requires states, territories, and Urban Areas to complete a Threat and Hazard Identification and Risk Assessment (THIRA) and Stakeholder Preparedness Review (SPR) (formerly known as the State Preparedness Report) and prioritize grant funding to support closing capability gaps or sustaining capabilities identified in this process.

Threat: In considering threat, the applicant should discuss the potential for terroristic activity, domestic or international, faced by the community.

Vulnerabilities: In considering vulnerabilities, the applicant should discuss the community's susceptibility to destruction, incapacitation, or exploitation by a terroristic threat/attack.

Consequences: In considering potential consequences, the applicant should discuss potential negative effects on the community.

Threat/Hazard Selection

Select any Threat/Hazard from Kentucky's Strategic Preparedness Report that your proposed project could address:

☐ Active Shooter ☐ Cyber Attack ☐ CBRNE

Core Capability Selection

Select any primary Core Capability from FEMA's National Preparedness Goals that could be enhanced through your project's proposed solution:

Required Project Proposal Elements

Proposals will be evaluated based on the following factors that **MUST** be included in your Project Narrative:

- Your proposal **MUST** demonstrate a **terroristic preparedness nexus**. Proposals may simultaneously support enhanced preparedness for disasters unrelated to acts of terrorism, **BUT** terrorism must be in the forefront.
- Your proposal **MUST** fall under one the **current National Priority Areas or State Enduring Needs**.
- Proposals will be evaluated on the **ability to close Core Capability Gaps** identified in FEMA's National Preparedness Goals that are associated with Threats/Hazards identified in Kentucky's Stakeholder Preparedness Review.
- Your proposal **MUST** be based on **at least one Threat or Hazard** that has been identified in Kentucky's Strategic Preparedness Report and **at least one Core Capability** from FEMA's National Preparedness Goals.

Project Narrative must include the following:

1. **Investment Justification:** Describe in narrative form how your project strategy effectively demonstrates the objectives of preventing, preparing for, protecting against, and responding to acts of terrorism. Proposals must address closing the gaps in the applicants' identified core capabilities and reducing the overall risk to the community, state or nation.
2. **Budget Narrative:** Describe in narrative form your project's budget plan. How will each budget line item help address closing identified gaps? Is there a plan for financial sustainability? Does applicant have previous experience in managing federal grant funds?
3. **Collaboration:** Regional or statewide impact. Describe in narrative form the extent to which the project demonstrates a willingness to collaborate with federal, state, and local governments in efforts to prevent, prepare for, protect against, and respond to acts of terrorism and reduce the overall risk to the state or the nation.
4. **Impact/Outcomes:** Describe in detail what will be accomplished by this project. Include what procedures will be implemented, what capabilities will be enhanced, how identified threats and hazards will be mitigated, and the ways in which the applicant will measure and/or evaluate improvement.
